

St Winefride's Catholic Primary School A Voluntary Academy

*What is the
CSP TSA
Catholic Schools Partnership
Teaching Schools Alliance?*

Christ at the centre

The Catholic Schools in Bradford are part of an established partnership which has become a Teaching Schools Alliance approved by the D.F.E

This alliance provides:

- Professional support and challenge across the partnership of schools.
- A framework of Continued Professional Development for Teachers and Leaders.
- Student Teacher Training.

We have the ethos of ‘Our Schools not my School’ which ensures that no school is left vulnerable and every child in our Catholic Partnership is supported to fulfil their potential. Schools across the country often work together to accelerate learning and this is becoming a well-established process in the Catholic Schools Partnership Teaching Schools Alliance.

St Winefride's is currently supporting another Bradford Catholic school. This does not affect the day to day running of our school but the children may well see occasional visitors who come to observe good practice. The Catholic Schools Partnership Teaching Schools Alliance ask for your prayers in our endeavours to build outstanding education in our Catholic School.
