## *Fun on the Austrian slopes*

After a quick check in at the Hotel Galassia and a trip to Beppe's ski-fit to be kitted out with all our gear, we were all set to start this fantastic adventure. Sunday we were all set to ski - with a mixed party of beginners and advanced skiers there were a few nerves showing. However, after splitting into three groups, we were off. Tuesday we had a night ski planned. Despite the temperature being -10C everyone was looking forward to this

event. To say some of our party had only being skiing for 3 days they were brilliant. Our more experienced skiing students took the lead and led the others safely down to the welcome warm café.

By Friday every group had been down a black run, this was such an achievement for our beginners. You would have thought they had been doing it all their lives!

## *Students Enthralled with War Horse*

On Monday 5<sup>th</sup> March the Drama department took 100 students studying GCSE Drama and A level Theatre Studies to see the National Theatre's War Horse. It truly was an outstanding production. This will enable our students to write a live analysis and evaluation on a professional production for their written exam.

Based on the beloved novel by Michael Morpurgo, this powerfully moving and imaginative drama, filled with stirring music and songs, is a show of phenomenal inventiveness. At its heart are astonishing life-sized horses by South Africa's Handspring Puppet Company, who bring breathing, galloping, charging horses to thrilling life on stage.

All our students were moved by this performance and wholeheartedly agreed that War Horse was an unforgettable theatrical event.

# THE DIPLOMA GAMES

Our Year 7 Diploma Challenge is well on its way with students having now completed 3 out of the 6 challenges. 7B are just ahead but all is still to play for as the students prepare for the final 3 challenges, on Reflection, Creativity and Teamwork. Full games reports by our Yr7 reporters can be found on our website [www.sbsj.co.uk](http://www.sbsj.co.uk)

## Student Champions Sample Menu

“Our Student Champions had a tasty treat in store for them when Facilities Management, the catering company that supply food to both our canteens, used them as willing volunteers. They tasted samples of a new range called “Zingi” a multi-cultural range of “street foods”. Wraps, pots and flatbreads were filled with different styles of chicken and salads. Pots of potato were seasoned with spices from around the globe and a wide variety of healthy dips and sauces accompanied them. It was brilliantly received by them all and really useful feedback was given to ensure that the “Zingi” food is a real success when it arrives in our dining rooms in the very near future.”
